

Help for College Students with Disabilities from [Wrightslaw.com](http://www.wrightslaw.com)

Parents of disabled kids are often surprised to learn that their college-bound children are no longer eligible for services under the Individuals with Disabilities Act. Although college students with disabilities are protected from discrimination under Section 504, some professors take a dim view of students who request accommodations.

We collected these resources to help you learn self-advocacy skills and make the transition from high school to college.

The resources are divided into three categories: your rights and responsibilities under Section 504; the importance of planning and preparing; and keys to success. Good luck!
