VR: Transition School to Work Counselors

1. Get a list from VR of all the TSW counselors and contact information.
2. Develop an email introducing your center, your youth goals, and that you would like to be a resource to assist them in their work with students around employability.
3. Determine if there is a need for specific tools and resources, face-to-face training, "train-the-trainer" model, or other opportunity.

Support Decision Making Guide

1. Make a list of distribution audiences
2. Select a resource (video, fact sheet, website) that would be meaningful and relevant to their work.
3. Disseminate and ask for feedback on how they are using the resource and what else would be useful.
4. Count those contacts as providing information FOR youth through those who work with youth.
