#### What you can do to help me

I feel like everyone else but I sometimes need a little more help. If you could give me clear and simple instructions and repeat instructions to me that would be really good. Also, I find visual aids very helpful and if you could give me an idea of what we will be learning in the lesson before it starts that will help me get ready for it. Thank vou

#### Me

My name is Ayusman but everyone calls me Babu. I am from India and I moved to England when I was 5. I live in Wimbledon with my mum, dad and vear old brother. Jackie. I want to be an astronaut when I am older.

Words that describe me best very frienfly always cheerful helpful kind

## My strengths and talents

Numbers and calculations in my head. My friends in primary school called me Mr Calculator.

I'm also really good at remembering dates and times.

I can remeber new facts well.

#### Ways ABA support helps me

Leaving me to do the things I can but helping me when I am stuck.

Helping me in the playground as I find making new friends or understanding new games really hard.

ABA helps explain things in a way that I can understand and learn better.

## My favourite things

My favourite foods are chocolate, rice and vegetables.

Hove travelling and visiting new countries

Hove the Guiness book of records and learning new facts.

My favourite subject is Maths.

I like watching shows about Space and nature.

Hove going to Theme Parks like Thorpe Park.

# My Worst Possible Day

Traffic making me late for school.

Children being really noisy and misbehaving.

Lots of complex instructions that I don't understand.

No-one to help me get things organised.

Sitting too far from the board so I can't see it.

Noone to play with at lunchtime or not understanding the game.

Getting a detention.

# My fears and worries / Things I dont like

Sudden noises

When things suddenly change

When I don't know what's going to happen next.

When people are late

When people use too much language I dont eat meat but I eat fish

An Ideal Day My escort is on time to take me to school.

The other children don't argue or fight.

The class is quiet for me to listen to my teacher and do my work.

My teacher likes my work.

I play games like chase or be a goalie at lunchtime.

We use maps in Geography.

Thave a Numeracy, ICT and Art class

Learn some House points

There is fish and rice for lunch
