disclose Health Information only with your written permission. You may revoke such

Before DHS uses or discloses Health Information for research, the project will go through a special approval process. Even without special approval, DHS may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

The Department of Human Services (DHS) is an agency of the Executive Branch of Georgia

disclose Health Information only with your written permission. You may revoke such

DHS also may notify your family about your location or general condition or disclose such information to an entity assisting in a disaster relief effort.

Research. Under certain circumstances, DHS may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before DHS uses or discloses Health Information for research, the project will go through a special approval process. Even without special approval, DHS may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

To Avert a Serious Threat to Health or Safety. DHS will only make this disclosure if you agree or when required or authorized by law.

**Health Oversight Activities.** DHS may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

**Data Breach Notification Purposes.** DHS may use or disclose your Protected Health Information to provide legally required notices of unauthorized access to or disclosure of your health information.

**Lawsuits and Disputes.** If you are involved in a lawsuit or a dispute, DHS may disclose Health Information in response to a court or administrative order. Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health ("the Departments") are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments' programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at 404-657-3433 or DCH at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at https://dhs.georgia.gov/forms-notices, or you may obtain the DCH ADA Reasonable Modification Request Form at the DCH Katie Beckett Team office or online at https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, but you do not have to use a form.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. For DCH, contact the KB TEAM ADA/Section 504 Coordinator at 5815 Live Oak Pkwy Suite 2-F, Norcross, GA, 30093, 678-248-7449.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at https://dhs.georgia.gov/documents/dfcs-discrimination-complaint-form-0. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) is within the "USDA-HHS Joint Nondiscrimination Statement" included within.

*Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.

Ayuda para personas con discapacidad

La ley federal exige que el Departamento de Servicios Humanos de Georgia y el Departamento de Salud Comunitaria de Georgia ("los Departamentos") brinden a las personas con discapacidad la misma oportunidad de participar y reunir los requisitos para los programas, los servicios o las actividades de los Departamentos. Esto incluye programas como SNAP (Programa de Asistencia Nutricional Suplementaria), TANF (Asistencia Temporal para Familias Necesitadas) y Asistencia Médica.

Los Departamentos brindan modificaciones razonables cuando son necesarias para evitar la discriminación basada en la discapacidad. Por ejemplo, podemos cambiar políticas, prácticas o procedimientos para brindar acceso equitativo. Para garantizar una comunicación igualmente efectiva, brindamos asistencia de comunicación a las personas con discapacidad o sus acompañantes con discapacidad, como intérpretes de lengua de señas. Nuestra ayuda es gratis. Los Departamentos no están obligados a realizar ninguna modificación que resulte en una alteración fundamental en la naturaleza de un servicio, un programa o una actividad o en cargas financieras y administrativas indebidas.

Cómo solicitar una modificación razonable o asistencia de comunicación

Comuníquese con su asistente social si tiene una discapacidad y necesita una modificación razonable, asistencia de comunicación o ayuda adicional. Por ejemplo, llame si necesita ayuda o servicio para una comunicación efectiva, como un intérprete de lengua de señas. Puede comunicarse con su asistente social o llamar al DFCS (Departamento de Servicios para la Familia y los Niños) al 404-657-3433 o al DCH (Departamento de Salud Comunitaria) al 678-248-7449 para hacer su solicitud. También puede realizar su solicitud utilizando el formulario del DFCS para solicitud de modificación razonable en virtud de la ADA (Ley para Estadounidenses con Discapacidades), que está disponible en la oficina local del DFCS o en línea en https://dhs.georgia.gov/forms-notices. Además, puede obtener el formulario del DCH para solicitud de modificación razonable en virtud de la ADA en la oficina del equipo Katie Becket del DCH o en línea en https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, pero no es necesario usar un formulario.

Cómo presentar una queja

Tiene derecho a presentar una queja si los Departamentos lo han discriminado por su discapacidad. Por ejemplo, puede presentar una queja por discriminación si ha solicitado una modificación razonable o un intérprete de lengua de señas que se le hayan negado o que no se hayan resuelto en un plazo razonable. Puede presentar una queja verbalmente o por escrito comunicándose con su asistente social, la oficina local del DFCS o el coordinador de derechos civiles y de la ADA/Sección 504 del DFCS en 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. Para el DCH, comuníquese con el coordinador del equipo KB y la ADA/Sección 504 en 5815 Live Oak Pkwy Suite 2-F, Norcross, GA, 30093, 678-248-7449.

Puede pedirle a su asistente social una copia del formulario de queja de derechos civiles del DFCS. El formulario de queja también está disponible en https://dhs.georgia.gov/documents/dfcs-discrimination-complaint-form-0. Si necesita ayuda para presentar una queja por discriminación, puede comunicarse con el personal del DFCS mencionado anteriormente. Las personas sordas o con problemas de audición, o que tengan discapacidades del habla, pueden llamar al 711 para que un operador se conecte con nosotros.

También puede presentar una queja por discriminación ante la agencia federal correspondiente. La información de contacto del Departamento de Agricultura de los EE. UU. (USDA) y del Departamento de Salud y Servicios Humanos de los EE. UU. (HHS) se encuentra dentro de la "Declaración conjunta de no discriminación del USDA-HHS" incluida.

*La Sección 504 de la Ley de Rehabilitación de 1973, la Ley para Estadounidenses con Discapacidades de 1990 y la Ley de Enmiendas de la Ley para Estadounidenses con Discapacidades de 2008 garantizan que las personas con discapacidad no sufran discriminación ilegal.*
