### What Do Parents and Families Say about P2P?
- 93.5% of families say they are likely to contact P2P again in the future or attend a P2P training or event.
- 94% of families report that because of their call to P2P, they feel better able to support their child.
- 75% of families report that their child has received more appropriate services because they put to use the information they learned from P2P.
- "Yes, you offer a very valuable service. Moving to GA from Miami was certainly very difficult for me and challenging, I am glad to have contacted you.”
- "I have not solved my issues yet with school, but with P2P’s assistance I was able to inform myself on my rights and make decisions about my son’s education.”
- "I wouldn’t have known what to do without the help I got from y’all and y’all made me feel like I’m not all alone.”
- "I feel my daughter is making progress now, but it is nice to have someone to share my concerns when I need. Good to know I can call P2P back.”
- "I have been very stressed with my son because I felt I lost a lot of time without accessing or knowing where to knock for help, but now I think we are on our way to get some services and answers for him.”
- "The coordinator gave me info on IEP and 504, about evaluations and I feel I am now on the right path to inquire about services for my daughter.”
