Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health (“the Departments”) are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments’ programs, services, or activities. This includes programs such as SNAP, TANF, and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (404) 657-3433 or DCH at (678) 248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>, or you may obtain the DCH ADA Reasonable Modification Request Form at the DCH Katie Becket (KB) Team office or online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, but you do not have to use a form.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street NW, Ste. 19-454, Atlanta, GA 30303, (404) 657-3735. For DCH, contact the KB TEAM ADA/Section 504 Coordinator at 2211 Beaver Run Road, Ste. 150, Norcross, GA 30071, or PO Box 172, Norcross, GA 30091, (678) 248-7449.

You can ask your case worker for a copy of the DFCS Civil Rights, ADA/Section 504 complaint form. The complaint form is also available at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Health and Human Services (HHS) is within the “Nondiscrimination Statement” included within.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Under the **Department of Human Services (DHS)** policy, you may also file other discrimination complaints by contacting your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street NW, Ste. 19-454, Atlanta, GA 30303, (404) 657-3735. For complaints alleging discrimination based on limited English proficiency, contact the DHS Limited English Proficiency and Sensory Impairment Program at 2 Peachtree Street NW, Ste. 29-103, Atlanta, GA 30303, or call (404) 657-5244.

Under the **Department of Community Health (DCH)** policy, the Medical Assistance programs cannot deny you eligibility or benefits based on your race, age, sex, disability, national origin, or religion.

This institution is prohibited from discriminating on the basis of race, color, national origin, disability, age, sex, or religion.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. The Department of Human Services (DHS) is an agency of the Executive Branch of Georgia government charged with the administration of numerous federal programs responsible for the storage, use and maintenance of medical and other confidential information. Federal and state laws establish strict requirements for these programs regarding the use and disclosure of confidential and protected information. DHS is required to comply with those laws as noted throughout this Notice.

OBLIGATIONS OF THE DEPARTMENT OF HUMAN SERVICES:

DHS is required by law to:

- Maintain the privacy of protected health information;
- Give you this notice of our legal duties and privacy practices regarding health information about you; and
- Follow the terms of our notice currently in effect.

HOW DHS MAY USE AND DISCLOSE HEALTH INFORMATION:

The following describes the ways DHS may use and disclose health information that identifies you ("Health Information"). Except for the purposes described below, DHS will use and disclose Health Information only with your written permission. You may revoke such permission at any time by writing to the HIPAA Privacy Officer at the contact information above.

For Treatment. DHS may use and disclose Health Information for your treatment and to provide you with treatment-related health care services. For example, DHS may disclose Health Information to doctors, nurses, technicians, or other personnel who are involved in your medical care and need the information to provide you with medical care.

For Payment. DHS may use and disclose Health Information so that DHS or others may bill and receive payment related to your care, an insurance company, or a third party for the

treatment and services you received. For example, DHS may provide your health plan information so that treatment may be paid for.

For Health Care Operations. DHS may use and disclose Health Information for health care operations purposes. These uses and disclosures are necessary to make sure that quality care is received and to operate, manage, and administer the functions of the agency. For example, DHS may use and disclose information to make sure the medical care you receive is of the highest quality. DHS also may share information with other entities that have a relationship with you (for example, your health plan) for their health care operation activities.

Appointment Reminders, Treatment Alternatives and Health Related Benefits and Services. DHS may use and disclose Health Information to contact you to remind you of an appointment with a physician. DHS also may use and disclose Health Information to tell you about treatment alternatives or health-related benefits and services that may be of interest to you.

DHS also may notify your family about your location or general condition or disclose such information to an entity assisting in a disaster relief effort.

Research. Under certain circumstances, DHS may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before DHS uses or discloses Health Information for research, the project will go through a special approval process. Even without special approval, DHS may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

SPECIAL SITUATIONS:

As Required by Law. DHS will disclose Health Information when required to do so by international, federal, state or local law.

To Avert a Serious Threat to Health or Safety. DHS may use and disclose Health Information when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Disclosures, however, will be made only to someone who may be able to help prevent the threat.

Business Associates. DHS may disclose Health Information to our business associates that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. For example, DHS may utilize the services of a separate entity to perform billing services. All DHS business associates are obligated to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract.

These activities generally include disclosures to prevent or control disease, injury or disability; report births and deaths; report child abuse or neglect; report reactions to medications or problems with products; notify people of recalls of products they may be using; a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and the appropriate government authority if it is believed a patient has been the victim of abuse, neglect or domestic violence. DHS will only make this disclosure if you agree or when required or authorized by law.

Health Oversight Activities. DHS may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

Data Breach Notification Purposes. DHS may use or disclose your Protected Health Information to provide legally required notices of unauthorized access to or disclosure of your health information.

Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, DHS may disclose Health Information in response to a court or administrative order. DHS also may disclose Health Information in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

Law Enforcement. DHS may release Health Information if asked by a law enforcement official if the information is: (1) in response to a court order, subpoena, warrant, summons or similar process; (2) limited information to identify or locate a suspect, fugitive, material witness, or missing person; (3) about the victim of a crime even if, under certain very limited circumstances, we are unable to obtain the person's agreement; (4) about a death we believe may be the result of criminal conduct; (5) about criminal conduct on our premises; and (6) in an emergency to report a crime, the location of the crime or victims, or the identity, description or location of the person who committed the crime.

Coroners, Medical Examiners and Funeral Directors. DHS may release Health Information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death. DHS also may release Health Information to funeral directors as necessary for their duties.

Inmates or Individuals in Custody. If you are an inmate of a correctional institution or under the custody of a law enforcement official, DHS may release Health Information to the correctional institution or law enforcement official. This release would be if necessary: (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) the safety and security of the correctional institution.

Notice of ADA/Section 504 Rights

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health ("the Departments") are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments' programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at 404-657-3433 or DCH at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dhs.georgia.gov/forms-notice>, or you may obtain the DCH ADA Reasonable Modification Request Form at the DCH Katie Becket Team office or online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, but you do not have to use a form.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. For DCH, contact the KB TEAM ADA/Section 504 Coordinator at 5815 Live Oak Pkwy Suite 2-F, Norcross, GA, 30093, 678-248-7449.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at <https://dhs.georgia.gov/documents/dfcs-discrimination-complaint-form-0>. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) is within the "USDA-HHS Joint Nondiscrimination Statement" included within.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Notificación de la ADA/Derechos de la Sección 504

Ayuda para personas con discapacidad

La ley federal* exige que el Departamento de Servicios Humanos de Georgia y el Departamento de Salud Comunitaria de Georgia ("los Departamentos") brinden a las personas con discapacidad la misma oportunidad de participar y reunir los requisitos para los programas, los servicios o las actividades de los Departamentos. Esto incluye programas como SNAP (Programa de Asistencia Nutricional Suplementaria), TANF (Asistencia Temporal para Familias Necesitadas) y Asistencia Médica.

Los Departamentos brindan modificaciones razonables cuando son necesarias para evitar la discriminación basada en la discapacidad. Por ejemplo, podemos cambiar políticas, prácticas o procedimientos para brindar acceso equitativo. Para garantizar una comunicación igualmente efectiva, brindamos asistencia de comunicación a las personas con discapacidad o sus acompañantes con discapacidad, como intérpretes de lengua de señas. Nuestra ayuda es gratis. Los Departamentos no están obligados a realizar ninguna modificación que resulte en una alteración fundamental en la naturaleza de un servicio, un programa o una actividad o en cargas financieras y administrativas indebidas.

Cómo solicitar una modificación razonable o asistencia de comunicación

Comuníquese con su asistente social si tiene una discapacidad y necesita una modificación razonable, asistencia de comunicación o ayuda adicional. Por ejemplo, llame si necesita ayuda o servicio para una comunicación efectiva, como un intérprete de lengua de señas. Puede comunicarse con su asistente social o llamar al DFCS (Departamento de Servicios para la Familia y los Niños) al 404-657-3433 o al DCH (Departamento de Salud Comunitaria) al 678-248-7449 para hacer su solicitud. También puede realizar su solicitud utilizando el formulario del DFCS para solicitud de modificación razonable en virtud de la ADA (Ley para Estadounidenses con Discapacidades), que está disponible en la oficina local del DFCS o en línea en <https://dhs.georgia.gov/forms-notice>. Además, puede obtener el formulario del DCH para solicitud de modificación razonable en virtud de la ADA en la oficina del equipo Katie Becket del DCH o en línea en <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, pero no es necesario usar un formulario.

Cómo presentar una queja

Tiene derecho a presentar una queja si los Departamentos lo han discriminado por su discapacidad. Por ejemplo, puede presentar una queja por discriminación si ha solicitado una modificación razonable o un intérprete de lengua de señas que se le hayan negado o que no se hayan resuelto en un plazo razonable. Puede presentar una queja verbalmente o por escrito comunicándose con su asistente social, la oficina local del DFCS o el coordinador de derechos civiles y de la ADA/Sección 504 del DFCS en 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. Para el DCH, comuníquese con el coordinador del equipo KB y la ADA/Sección 504 en 5815 Live Oak Pkwy Suite 2-F, Norcross, GA, 30093, 678-248-7449.

Fuede pedirle a su asistente social una copia del formulario de queja de derechos civiles del DFCS. El formulario de queja también está disponible en <https://dhs.georgia.gov/documents/dfcs-discrimination-complaint-form-0>. Si necesita ayuda para presentar una queja por discriminación, puede comunicarse con el personal del DFCS mencionado anteriormente. Las personas sordas o con problemas de audición, o que tengan discapacidades del habla, pueden llamar al 711 para que un operador se conecte con nosotros.

También puede presentar una queja por discriminación ante la agencia federal correspondiente. La información de contacto del Departamento de Agricultura de los EE. UU. (USDA) y del Departamento de Salud y Servicios Humanos de los EE. UU. (HHS) se encuentra dentro de la "Declaración conjunta de no discriminación del USDA-HHS" incluida.

**La Sección 504 de la Ley de Rehabilitación de 1973, la Ley para Estadounidenses con Discapacidades de 1990 y la Ley de Enmiendas de la Ley para Estadounidenses con Discapacidades de 2008 garantizan que las personas con discapacidad no sufran discriminación ilegal.*
