

DESCRIPTION OF P2P VIRTUAL TRAINING CURRICULA

P2P currently offers the following topics, each training is approximately one hour long and is provided virtually. (*Spanish version is available upon request.*) We also customize training to meet your specific needs if the list below is not exactly what you are seeking.

SPECIAL EDUCATION

What a Great IDEA! A Brief Overview of Special Education for Parents and Families -

Understand the basics of Special Education and the Individuals with Disabilities Education Act (IDEA). This course will explain how the process of special education works, including Child Find, making a referral; what to expect from an evaluation; how to prepare for an Individualized Education Program (IEP) meeting and how to resolve disputes.*

Peace, Love, Harmony and the IFSP/IEP? –Learn how to use effective communication skills to develop a partnership with your child's IEP/IFSP team. Get tips for preparing for school meetings and how to be an effective member of the team.*

Sifting Through Your Parental Rights – Provides basic information about parental rights under IDEA, including confidentiality, notice, consent, surrogate parents, free and appropriate public education (FAPE), least restrictive environment (LRE), evaluations and dispute resolution methods such as mediation and due process.*

I Can Do That! A Brief Overview of Assistive Technology for Parents and Families – This training will introduce parents of school-age children to assistive technology devices and services; help them determine what assistive technology (AT) their child might need to overcome barriers and achieve their goals, and locate sources for AT.*

I Want to Do That! An Overview of Assistive Technology for Parents and Families of Young Children with Special Needs – This training will introduce parents of preschool-age children to assistive technology devices and services; help them determine what assistive technology (AT) their child might need to overcome barriers and achieve their goals; and locate sources for AT.*

The Big IDEA! What's the Big IDEA Behind Inclusion? – Learn about inclusion, its benefits and how IDEA with its requirement of least restrictive environment can be a springboard to having children with disabilities learn with their peers.*

Making It Count – Focusing on a Vision and Strengths to Get to Measurable Goals - This workshop discusses the IEP process and how to write meaningful goals that help your child reach his/her full potential. *

Understanding the School Discipline Process Through IDEA and IEPs – Learn about functional behavioral assessment (FBA), behavior intervention plans (BIP) and how to be proactive in addressing behavior in your child's IEP.*

Attendance-Why does it matter? - Every school day counts. This presentation includes understanding the importance of student attendance whether they are in pre-school, middle school or high school. Learn some tips and suggestions on how to overcome the obstacles related to regular attendance

Beyond the Basics...Unlocking Ambitious IEP Goals – This session includes an in depth look at the various components of an IEP and how to develop ambitious IEP goals for your child.

HEALTH CARE

Georgia Medicaid Basics and overview of Home and Community-Based Services-Learn about Medicaid programs and services, including how to qualify for Medicaid based on a child's disability or chronic health condition (Katie Becket Deeming Waiver). This course will include information on EPSDT, GAPP, SOURCE, CCSP, ICWP, and the NOW and COMP waivers.*

Georgia Medicaid Home and Community-Based Services-NOW/COMP Waivers- Learn about Home and Community-Based Services specifically about the NOW/COMP waivers. This course will include information about the eligibility requirements, the services covered, how to apply and types of service delivery.*

Georgia Medicaid Basics and Care Management Organizations (CMOs) – Learn about Medicaid services. Participants will also learn how to be effective advocates when they have Medicaid services administered by one of the following Care Management Organizations: Peach State Health Plan, CareSource or Amerigroup Community Care.*

Georgia Medicaid Basics and Katie Beckett Deeming Waiver –Learn about Medicaid programs and services, specifically about the Katie Beckett Deeming Waiver. This course will include information about the eligibility requirements, how to apply and if denied, the appeals process.*

Crossing the Medical Bridge-Transition to Adult Healthcare – Learn what health has to do with transition; who makes up the transition team and their roles, healthcare financing, legal issues and timelines.

TRANSITION

Movin' Up – Planning Your Child's Successful Transition at Age 3 - Prepare and plan for a smooth transition from Babies Can't Wait/early intervention. The presentation includes key to successful transition, options to consider during transition, and an overview of various programs and services that may be available for three year olds with special needs in your community.*

Where Do We Go From Here? Preparing for Transition from High School – Learn the keys to successful transition, the role of the school in transition planning and things to consider when planning your child's transition to adulthood.

Keys to Help Your Teen Get A First Job - This training will discuss the employer's perspective, the current employment outlook for people with disabilities, workplace accommodations and practical tips for families to help their teen get a job.

The Big Leap.....Moving from Elementary to Middle School – Learn the keys to successful transition and practical tips on what you can do to help your child smoothly transition to this new milestone.

ADVOCACY

Dream Bigger, Aim Higher – Learn skills and strategies beyond advocacy that help empower you from your child's infancy to adulthood.*

Youth Development-Self-determination—Learn the components of self-determination and tools and tips you can use to help your child.

**Approved for 1 CEU for eligible BCW staff*
