

Parent to Parent of Georgia's Special Needs Database

Parent to Parent's comprehensive resource database contains close to 7000 resources in over 200 categories. The Special Needs Database is a FREE online searchable resource.

The inclusion of services or providers on the Special Needs Database should not be considered an endorsement by Parent to Parent of Georgia or its sponsors. If you have questions or need further information, call us at 800-229-2038 or 770-451-5484 in Atlanta.

GEORGIA DEPARTMENT OF PUBLIC HEALTH

Funding from the Georgia Department of Public Health, Part C/Babies Can't Wait program, support services provided by the Special Needs Database. The purpose of the Special Needs Database is to serve as a

statewide resource for families, providers, and other interested groups or individuals to access an array of information and referral services, in accordance with Part C Regulations, 34 CFR , Section 303.17, of the Individuals with Disabilities Education Act (IDEA)

**CENTER FOR
Leadership in Disability**

The Center for Leadership in Disability (CLD) at Georgia State University is funded by the Centers for Disease Control and Prevention (CDC) to implement the Georgia Statewide Disability & Health Program. Through this program, CLD is offering a disability-focused training for healthcare providers in Georgia. CLD is partnering with Parent to Parent of Georgia
