

Navigating The Maze: A Guide to Funding/Grant Opportunities & Advocacy Resources is available for you to download.

At Debbie Dobbs Advocacy, LLC, our mission is to advocate for children with special needs, ensuring they have access to appropriate educational opportunities and financial resources. We work alongside families, guiding them to educational and financial tools, answering questions about special education, and attending school meetings to help create tailored IEPs and 504 plans. By partnering with families, we empower them to achieve the best possible outcomes for their children. Additionally, we assist families in navigating applications for the Katie Beckett Medicaid waiver and other funding programs.

Our Services Include:

- **Educational Advocacy in the Public School System:** Supporting families by attending IEP and 504 plan meetings.
- **Consultation for Medicaid Deeming Waiver Applications and Other Resources:** Helping families access critical funding and support programs.
- **Training Seminars and Speaking Engagements:** Educating and empowering families, schools, and organizations.
