## Common myths about work and benefits

There are no  
resources to  
help me find  
and keep a job

Read about the  
organizations that  
can help you prepare  
for your job search  
and find the job that's  
right for you on  
DB101

I can't work  
because of my  
disability

DB 101 has resources  
and laws that can help  
you find the support to  
find a job that is  
satisfying and  
meaningful

I'll lose my  
benefits if I  
work

Visit My DB101  
for articles, tools,  
and estimators to  
help you discover  
how you may be  
able to try  
working and keep  
your benefits

I can't afford  
the cost of  
starting to work

You may need to pay for  
transportation to get to  
and from your job, or you  
may need to buy special  
tools or equipment.
